Boutique Employment Law,
HR and Mediation specialists

1

NO HIDDEN COSTS

Don't want a "ticking clock" for receiving quality advice? – We provide you with the option of having qualified experts to hand for a fixed rate providing your business with certainty of cost. We can even take away the risk of costs of defending and compensation associated with a Tribunal claim.

2

FLEXIBILITY

We have the flexibility to engage with businesses in a more commercial way which means that we can become an integrated part of your business. Ultimately, we give you options to suit your business needs rather than a one size fits all approach.

3

EVERYTHING TAKEN CARE OF

We offer a holistic approach to employment law and HR. We look at the full picture for our clients which includes providing onsite HR support, HR Advice line, HR Software and training. You will be assigned a designated qualified HR Specialist and/or trained Employment Lawyer with a wealth of experience.
